Removing Negative Beliefs

WELLBEING STRATEGIST

London-based psychologist and wellbeing expert who transforms the lives of ambitious professionals and entrepreneurs on the brink of burnout, breakdown, and depression by using a unique methodology 'RESET' combining neuroscience, positive psychology, talk therapy, and yoga. Member of British Psychological Society.

Client outcomes with the instant solutions: removing anxiety and negative beliefs, earning healthy habits to prevent addictions, avoiding mental health breakdown due to changing behavior, mindset, and daily habits.

Key results: higher quality of life, improved productivity and achieving business and personal goals.

Former clients include Emirates, Qatar Airways, The Ritz- Carlton Bahrain, La Fontaine Spa, Absolute Sounds, Lusófona University
